Robert Probert showed us some fascinating photos of the night sky'. He created them with the "Sky View" app on his smart phone. Search your app store to download this free app and try it yourself.

Thank you to everyone who helped so much on Sat. It all went like clockwork.
Thanks. H.

Bass Coast Camera Club is a programme of the Bass Coast Artists' Society. Our home base is the Goods Shed, Wonthaggi. Meetings are on the 3rd Saturday of the month 1.30pm – 4pm.

THANK YOU, IRENE. Members and friends of BCCC spent a wonderful afternoon at the Goods Shed on July 15th with Irene Williams from the Wonthaggi Historical Society. Irene has 30yrs experience with the Historical Society which is situated at the Old Wonthaggi Railway Station. Their meetings are held 3rd Thurs. of each month and they are always looking for new members. Irene led us through her childhood memories, prompted by an amazing collection of old photographs, recording the history of Wonthaggi during the mining era. Some members also recalled their experiences indicating that Wonthaggi was a vibrant and strong community. It highlighted the importance of photography in recording our history. Thank you once again to Irene.

CHALLENGE FOR AUGUST – MARKETS. There is a wealth of Markets throughout the region giving opportunities for interesting/intriguing/colourful shots. Always ask the stall holder if you can take photos (inside or outdoor markets), especially photos of children. Have fun; see what you can come up with for next Show and Tell.

NEXT SESSION SAT. 19TH AUGUST. 1.30pm-4pm. There are easy walks close to town where you can capture some creative shots. Leave car at Goods Shed and wander over to the Wetlands. The walk can be as long or as short as you wish. Wear sensible shoes. Return to the Goods Shed for a cuppa. If it is raining, we will have a rainy day program.
