

BASS COAST CAMERA CLUB-NEWSLETTER JULY/AUGUST 2015

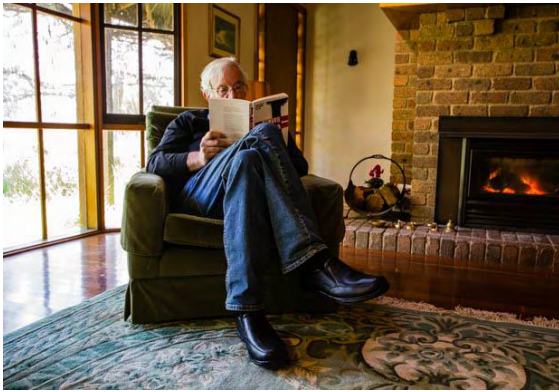

Photo "Self Portrait" by Bob Tyler

We had a lovely collection of "Photos About Me" on display at the Goods Shed. As can be seen from the photo, Bob enjoys reading in his comfy armchair in front of a warm fire & the great photo by Christine.

Our CHALLENGE FOR AUGUST, as suggested by Robert is PUBS. Obviously there are many lovely old buildings in the area however, it would also be interesting for you, on a cold wintry afternoon, to search into your photo collection and see if you can dig up some Pubs/Taverns that you have visited during your travels. To expand on the idea, add a caption telling us where you were, name of Pub etc.

Next meeting is Sat. 15th August at the Goods Shed starting 1.30pm. It would be lovely to have a field trip in September, Sat. 19th. Let us shake off the winter blues & have a fun day out, perhaps to Tooradin. If you have any ideas please contact me. We can set time/place next meeting.

MUSIC TO A SLIDE SHOW-We couldn't show our slide shows using USBs because we had not completed an important last step. After finishing your slide show SAVE AS TYPE VIDEO. After finishing your calendar, to prepare for printing – SAVE AS PDF. Calendars can be printed at Foons

Price for a Single Calendar	\$18
Price for Quantity 5-9	\$15ea
Price for Quantity 10 or more	\$12ea

Show your Bass Coast Artists Members card. If you have further questions regarding putting music to a Slide Show or creating a Calendar or Booklet, we can go through this again at our next session. To make things easier create a folder of the photos you will use in the project.

November Photo Exhibition at the Goods Shed. Open Sat. 21st Nov. – Sat. 28th Nov. Setting up on Friday afternoon 20th Nov. Closing up Sat. afternoon 28th Nov. We will have an Opening with Afternoon Tea. This will be an Open Exhibition...any topic, any format ...all we ask is that the work is ready for hanging with strong D-Rings. You can also sell your cards, calendars, booklets etc. Please start preparing ASAP. We will need to compile a Catalogue.
