There were 15 participants in the BCAS Easter Exhibition Photography Section with 42 works on display at the Goods Shed. The high standard of work produced by the exhibitors made an interesting and creative exhibit. Thank you to Joan Hales for being the Judge this year. Thank you to all members taking part in the Photography section of the BCAS Easter Exhibition 2016.

We welcomed two new members to the Camera Club at our March meeting at the Goods Shed – Terina Brierly and Tauri Huddleston. Terina and Tauri immediately jelled with our friendly group sharing their photos and creative experiences. We discussed panoramas and stitching which led us smoothly into setting our Challenge for this month – Create a Panorama.

**PARORAMAS & STITCHING** This technique can be quite challenging. Most cameras have a Panorama mode. Look into your manual. You need a steady hand and if possible a tripod to get good results. If you want to find out more, go on line and Google search for Panorama Photography. There are many tutorials, which give you lots of information. I found one quoting Rod Planck who advises “Keep it simple”

Bass Coast Camera Club is a programme of the Bass Coast Artists' Society. Our home base is the Goods Shed, Wonthaggi. Meetings 3<sup>rd</sup> Saturday of the month 1.30pm – 4pm.

**NEXT SESSION – SATURDAY 16<sup>TH</sup> APRIL 2016**  
**A TRIP TO PHILIP ISLAND.** We will leave the Goods Shed Wonthaggi at 10.30 (pooling cars) and driving to RHYLL. There we will stop for an hour taking photos and having a coffee break, then on to COWES for the afternoon. In both places, there are many varied photo opportunities, which should accommodate everyone. On our return trip to Wonthaggi, leaving Cowes at 3.30, we could take the scenic coastal route, which has spectacular views. We will make the trip whatever the weather. Wear sensible shoes, bring charged up cameras and tripods.
