Show and Tell.

The challenge set down last month was, “streetscapes.” A great effort was put in by all with excellent results. What was interesting was the number of photos submitted featuring international scenes and the standard was very high indeed. Special mention to Jenny and Val, both submitted astonishing photos.

Next Meeting and Challenge

Next meeting will Saturday, 18 November at 1.30pm.

October/ November’s challenge is Sport/action theme. This ties in with The Inverloch bicycle classic on the 12th November. But I not heard from them since the initial request for volunteer photographers. We might all be down the Cricket ground in a desperate bid to meet the challenge.

The result of the Book store/pub street exercise pics may be submitted and the results can be discussed.

Happy Snapping
