Photo by Greg Taylor

The resulting photographs from our monthly challenge- Night Photography - were amazing. 6 hardy members braved a cold night in Wonthaggi to take photos & short videos. The three photos above, taken by members, show a variety of subject matter. The first is of the fantastic lights of Garden by the Bay, Singapore. Secondly we have the interior of the butchers shop in Wonthaggi taken from the doorway. Then we have Greg's night photo of a road-train outside the Roebuck Road House, Pilbara, W.A. Following on from our Show and Tell of photos,

Camera Skills. At each session of the Club we try to fit in a specific learning segment but we run out of time. Several members have requested additional sessions to concentrate on camera skills. Ken has offered his time and we have come up with some dates for you.

Sat. August 10th 1.30pm at Goods Shed.

Sat. August 31st ditto

Sat. October 5th ditto

Sat. November 2nd ditto

Sat November 30th ditto

EXHIBITION AT THE HUB – Please bring in details of your chosen work at our next session. I need your name, name of photo and size. Please number photos in order of preference for hanging. Could you also provide a few sentences giving details (when, where, how) of your work, or a short piece of how you feel about photography and the challenges it evokes.

The Next Session at the Goods Shed is Sat. 17th August. Theme Macro photography
