Rhonda's creative photo is of the kelp washed up on the sand at Kilcunda.

PHOTOS OF OUR TRIP TO KILCUNDA. WEATHER WAS PERFECT & THE COMPANY GREAT.

This intriguing photo "Froth & Bubble" was taken by Shelley Applebee.

We were lucky with our trip to Kilcunda. The weather was kind to us creating interesting cloud patterns and wild waves. The tide was out so we could get down onto the beach for interesting shots of the rocks and rock pools, flotsam on the sand and the famous trestle bridge. Members obviously enjoyed their day as there was a great scope for photography. We couldn't tear ourselves away from the beach. However the lure of a hot cuppa eventually led us to the Kilcunda café .

FORWARD PLANNING - I have had several requests for a field trip to San Remo, another beautiful local area offering great opportunities for taking lovely photos. So in order to beat the Summer heat & the Christmas rush we thought it would be a good idea to make a trip to San Remo Oct.18<sup>th</sup>. MORE DETAILS SEE BELOW. November perhaps we could organise an Exhibition at the Goods Shed. This still needs to be put to the BCAS committee. I will pass on info as soon as I can. At our last session Bob offered members to have a Christmas BBQ breakup at his and Moragh's place. Everyone enthusiastically responded to his offer. Date set for this is Sat. 29<sup>th</sup> November. We can discuss details next session. JUST A NOTE TO THINK ABOUT. Sat. 29<sup>th</sup> Nov. is Election Day, so you will need to get your voting done early.

SAN REMO SAT.OCT 18<sup>TH</sup>. We will meet at the Goods Shed Wonthaggi (to Pool cars) leaving promptly at 1.30pm. We will park in the Marine Parade, San Remo opposite the Hotel, near the toilets. There are many interesting areas close by, where you can walk safely, for taking photos. Those wishing to go further please go with someone else or in a group. There are many eateries where we can meet up later for a cuppa.
