

BASS COAST CAMERA CLUB NEWSLETTER SEPT/OCTOBER 2013

Photo by Hazel Zander

Our I.T Guru Bob Tyler gave an interesting segment on searching for information using Google, Flickr & YouTube, The aim is to encourage members to do their own research through the internet. This month's challenge is "Animals". No Pet! Borrow a friends, go to the Zoo/Park/Farm.

Our Sept. session at the Goods Shed was great fun as we celebrated Jan's birthday with a yummy cake brought in by Heather. (Left) However, members also focused on serious macro photography, as shown by Liz concentrating on her shot.(right)

On Sat. 19th October, we will meet at the State Coalmine Wonthaggi, car-park at 1.30pm. There are many photo opportunities so bring your cameras and tripods. We have booked to have afternoon tea at the Tea Room. I do need numbers so if you haven't already done so please let me know if you are coming along to join in the fun.
