

BASS COAST CAMERA CLUB NEWSLETTER OCTOBER/NOVEMBER

Photo by Judy Taylor "Millie"

Our monthly challenge for Oct. was animals. The charming photo of Millie watching TV (above) is a sample of the lovely photos produced. Our challenges are always fun and members respond with great results. Photos are displayed at the Goods Shed in Wonthaggi.

Our challenge for this month is to bring in a set of photos and/or a collection on a memory stick, which can be displayed, showing your progress/journey throughout this year. Bob will also show us how to make calendars.

For our December session we are planning a Christmas lunch at the Wonthaggi Hotel/Whalebone, starting at 12.30pm . SATURDAY 21ST DECEMBER. Please let me know numbers..

STATE COAL MINE VISIT 19TH OCT.

The sun shone for our visit to the State Coal Mine in Wonthaggi. Members of BCCC were joined by three members of the Phillip Island Camera Club. Some brave members went underground & returned 2hrs later obviously amazed at their experience. Other members wandered through the gardens & into the Museum, the Cottage & Out-buildings. There was so much to photograph. We thank the volunteer guides who were very friendly & informative. We finished the trip meeting up in the Tea Room Thank you to the friendly volunteers who served us.

This is a suggestion for members who would like to make a contribution to the State Coalmine, which is a voluntary organisation. From the photographs you have taken, could you make up some cards which can be sold at the Tea Rooms for them to sell. Just a few would be fine. We could collect them together & then present them to the State Coal Mine Com. This is only a suggestion .Let me know what you think.

For more info regarding BCCC activities contact Hazel Zander [56725300/hazelz@dcsi.net.au](mailto:hazelz@dcsi.net.au) or Liz Glynn phone 5672 2944. Next meeting at the Goods Shed Sat. 16th November. Starting 1.30pm. Bring your photos & memory sticks. Also your short videos. Please always put your name on the back of your photos & please remember to collect them from me.
