Max sending Xmas
greetings to members.

Members of the Bass Coast
Camera Club, brought a very
successful year to an end with
a celebration lunch at the
Wonthaggi Hotel.

HAPPY NEW YEAR
TO ALL OUR
MEMBERS

With our on-going theme "Getting to Know your Camera" our challenge for January is "Movement". For example, catching/freezing an action shot. Use your Sport Mode/Scene-sports Mode which will take a moving subject giving priority to a faster shutter speed focusing at the centre of the frame. Up to 4/5 pictures are shot at about 7.5 frames per second. This isn't taking a Video. It is about freezing fast moving action to take a single photo. All cameras are different so read your manual and practise. The Wonthaggi Agr. Show(11th/12th Jan) will offer a tremendous scope for action shots. Also, take family action fun at home. Go into Google search-Sports photography for tips and info. View photos on line to give you some ideas. Have fun!

THANK YOU...Terry McHenry came to our Dec. session bringing some treasured old camera and equipment, once used by his late father. Terry and his wife gave us some interesting information about these cameras and then generously donated some to enable us to start up a collection. Greg has offered to log and display these treasures for the Club. Hopefully Terry can come again and give us another talk.

TRIP TO LOCH. We have organised a trip to Loch for Sat. 18th Jan.2014. Depart Goods Shed 12.30pm
Depart Loch 4.15pm
Return Goods Shed 5pm. Cost \$6.
Bob has volunteered to be our Driver. Don't forget your cameras & tripods.

A trip to San Remo is being planned for Feb.
