

## BASS COAST CAMERA CLUB NEWSLETTER JAN/FEB. 2014

Pink grasshopper-photo Chris Upton

SHOW & TELL – Have you managed to wean yourselves off AUTO? Our challenge for Dec/Jan was to move into Sports Mode for action shots. With the many holiday activities occurring within the area, I think that our Show & Tell, 15<sup>th</sup> Feb. will be varied and interesting. Bring some photos for the display board plus a collection on USBs in order to give a presentation of your work  
SUSAN HALL will be coming to present a thematic display of her years' work, covering a wide range of creative photography and printing making. I am sure this will be an inspiring, enjoyable session.

The weather was perfect for our trip to Loch. This pretty, little village offered plenty of scope for our members to take some lovely photos. Strolling round the interesting historic buildings, the beautiful gardens, the famous suspension bridge, the little tea/coffee rooms, and craft shops, was a great way to spend a Saturday afternoon. Thank you to Bob our driver and also to Greg for helping.

Our next session is at the Goods Shed Wonthaggi on Sat. 15<sup>th</sup> Feb. We will have a busy session including a presentation by Susan so we begin promptly a 1.30pm.
