Thank you for being part of the BCAS Art/Photography Exhibition. Thank you for your hard work and support. I wish all photos could be displayed here. See them at Goods Shed.

Our May programme will be very busy with our involvement in the Creative Gippsland Arts Festival. Our 1st Open House Session will be on Sat. 17th May starting at 1pm. PLEASE NOTE THE STARTING TIME 1PM. This will follow our normal programme with Show & Tell. The challenge for this month is "Rustic". There are many opportunities for photo shots all within our local area covering this subject, i.e. rustic gates, rusty corrugated iron fences, old garden tools etc. In this session, we will also cover "Introduction to Picasa & Lightroom". The Goods Shed will be open to visitors and we will encourage them to ask questions and take part in the programme. Please bring along your cameras, (some photo shoots will be set up), your photo folios for display, and USBs for presentations.

Our second Open Day will be on Sat. 31st May. We will need to begin at 10.30pm to set up the Goods Shed, stop for lunch (provided) at 12noon, and begin Open Session at 1pm. which will continue until 4pm. At the last meeting, it was decided, that each member would set up a display area of photos depicting their work and giving a presentation. Members will also set up an area each for visitors who have cameras, to take photos. We will set up a display of old cameras – if you have any at home, please bring them along for the day. We will try to stick to an Agenda which will feature members giving short Tutorials, i.e Bob on Camera Techniques, Pauline on Ipads, Joan on dating photos etc. It is important that we spread the load so please be part of the action. We have no idea how many people will come through but we should be prepared and have many interesting things to show & topics to discuss.

PLEASE NOTE –next session SAT.17th MAY 1pm.
