Our involvement in the Gippsland Arts Festival proved to be very successful. Enthusiastic photographers crowded into The Goods Shed on Sat. 17th May in order to take part in the Photo Enhancement Workshop. The display of photographs of last month's challenge, "Rustic", was very impressive and showed the high quality of work by BCCC members. Bob guided us through the mysteries of Picasa and Lightroom. The 31st May session was equally well attended. BCCC members displayed & presented their photos & Pauline gave an informative talk on iPads and iPhones. Bob followed up with "How to create a perfect Photo" illustrating the relationship between ISO, Aperture & Shutter Speed". Shelley guided us through the hazards of "Image Ownership". THANK YOU to everyone involved on these 2 days of the Gipps. Arts Festival. It was hard work but you helped to make it so much fun.
