Close to Mum photo taken by Jan Ward

Our trip to the Desal Plant Wonthaggi, was very interesting. Fortunately, the weather was mild & sunny and members were able to wander along the well defined paths, taking photos. The Vic. Desal Plant Ecological Reserve covers approx 225 ha where local Landcare Groups have planted many hundreds of native grasses & shrubs. On our return to the Goods Shed members showed their photos of the months challenge & three of the photos are shown above.

To continue our springtime outings to local beauty spots we have planned a trip for Sat. 20th Sept. to KILCUNDA. We will meet at the Goods Shed at 1.30pm & pool cars for a prompt departure to the Car Park near to the Kilcunda Caravan Park. Members from the Philip Island side can make their own way to the Car Park. We can then disperse to take photos in this lovely scenic area.

FORWARD PLANNING - I have had several requests for a field trip to San Remo, another beautiful local area offering great opportunities for taking lovely photos. So in order to beat the summer heat & the Christmas rush we thought it would be a good idea to make a trip to San Remo in October, Sat. 18th. Then in November perhaps we could organise an Exhibition at the Goods Shed. This still needs to be put to the BCAS committee. I will pass on info as soon as I can. At our last session Bob offered members to have a Christmas BBQ breakup at his and Morag's place. Everyone enthusiastically responded to his offer. Date set for this is Sat. 29th November. We can discuss details next session.

PHOTOS ON CANVAS. Bron, Helen & Greg have sent me quite a lot of info re. Producing photos on canvas. Sites recommended are My Photobox, Minibox, Canvas Factory and Stella. From of all of them Bron prefers Minibox. Her advice is to **WAIT FOR THE SPECIALS.** Remember there is an additional postage cost. Could be \$10-\$25 – per canvas. Delivery is mostly 2 wks . It is best that you stick to these recommended sites. Beware of tricksters. If you are not sure, don't proceed.

Do you have photos or interesting topics to put on the Webpage?
