

BASS COAST CAMERA CLUB-NEWSLETTER FEB/MARCH 2015

“Bridge and Cape”

Photo by Graham Paterson.

“Early Settlers” by Graham Paterson

Unfortunately, our planned trip to San Remo was cancelled due to the very hot weather. However, one member managed to brave the heat and took some interesting photos of the area as you can see by the two samples at the top. This is the 2nd time we have had to postpone this trip & our timetable is quite full over the next couple of months, so the club is not able to plan a Sans Remo trip in the near future. However, perhaps some members might try independently to get to San Remo because there is a wide scope in that area, for stretching the imagination and taking quite unique photos. A good example is Graham’s photo “Early Settlers”

CHALLENGE FOR THIS MONTH - SILHOUETTES. Refer to Bronwyn’s photo in last month’s Newsletter. A Silhouette is achieved by, “photographing a subject in outline, by shooting a dark object against a light back-ground.” From the Glossary of “Photography The Professional Touch”. Go on Google re. Digital photography school. Silhouettes.

THE BCAS EASTER EXHIBITION - I hope you have all received your BassArts Newsletter in which you will find entry forms for exhibiting Paintings and Photography. Because of the limited space, we have to be rigid about the number of entries and size of photo. Three entries per member. Size of photo to be no more than 18x13cms. Any subject. We have two Categories this year –a) Traditional (minimal adjustments) and b) Contemporary (where part or whole is digitally manipulated) we can discuss this further at our March 21st meeting.

On Sat. 21st March we have Canson Art & Photographic materials demonstration. This will be very interesting and will bring us up to date with the latest photographic materials. Following this, we have our usual show & tell followed by discussion re. The Photo section of the BCAS Easter Show. Graham has given us an idea for a photo trip. This is a boat trip starting from San Remo and going around Cape Woolamai and back under the bridge. The cost would be \$20 for 20 people. If there is enough interest, Graham will arrange for us
