The next session of the Bass Coast Camera Club is on Sat. 17th October. We will begin with Show & Tell. Because of our day out for September, we have not yet shown our "Door" photos. Please bring these in to show plus the photos of our trip to Tooradin. The CHALLENGE for this month for those who would like to try is to put music to your Tooradin photos making a short slide show. We have already learnt how to do this and it is a good exercise to do again to reinforce the process. Remember to save as Video. Put the result onto USB and bring it along for us all to enjoy. At our next session, we can also continue with photo enhancement in Photoshop and Light Room. Ask questions if you are having problems with your camera or computer programmes and we can try to solve them. We are a self- help group so come and share your knowledge and we can continue to learn together.

November Photo Exhibition at the Goods Shed. Open Sat. 21st Nov. – Sat. 28th Nov. Setting up on Friday afternoon 20th Nov from 1pm. Closing up Sat. afternoon 28th Nov.
