

BASS COAST CAMERA CLUB-NEWSLETTER FEBRUARY/MARCH 2016

Photos by Bob Tyler –
Cranbourne Gardens

Our trip to the Cranbourne Gardens went very well. Members who hadn't been for many years were amazed at the growth of the trees, shrubs and plants since their last visit. The day was quite cloudy so getting the shadows and lighting effects that we were hoping for proved to be difficult. However, this made us think more laterally and to search for shapes and texture. The three photos above taken by Bob are fine examples of composition, shapes and texture.

Bass Coast Artists' Society Easter Exhibition – Have you all decided on your photography entries for the Easter Exhibition? Remember your entry form needs to be in NO LATER THAN THURS. 17TH MARCH. You could win a \$100 prize, which is a good return for a \$2 entry fee. SO BE IN IT TO WIN IT! HELP - I will need help with hanging the photos on Thurs. March 24th. If you have some time to spare, please let me know if you can help.

NEXT SESSION AT THE GOODS SHED – SATURDAY 19TH MARCH 1.30pm – 4pm. We haven't had Show and Tell at the Goods Shed for quite a while which means you must have many photos to share with us. On 19th March bring your photos and/or memory sticks in and we can catch up with each other and have an interesting Show & Tell. Try putting your slide show to music. We will also have an opportunity to finalize any queries you may still have re. entries for the Easter Exhibition. If you need any help, let me know. hazel
