At our May meeting, the photos produced for our Challenge – Panorama & Stitching - were amazing. We had some great results leading us into a very interesting session with members exchanging info. and useful tips for the benefit of the whole group. Liz showed us a short video of her recent trip to Boort where a local artist created incredible sculptures using old discarded Spanners. Have you made a short Movie? Have you put music to a slide show? Keep practising these past challenges in order to retain your skills. We had a "Still Life" display for members to photograph at the Goods Shed, which introduced the **CHALLENGE FOR THE MONTH.** Create a Still-Life Photo w/- caption - any subject.

Bass Coast Camera Club is a programme of the Bass Coast Artists' Society. Our home base is the Goods Shed, Wonthaggi. Meetings are on the 3rd Saturday of the month 1.30pm – 4pm.

NEXT MEETING SATURDAY 18TH JUNE 2016
1.30pm – 4pm. Shelley has very kindly offered for us to have our June session at her place. Address 22 Glendale Court, Inverloch. Shelley has a lovely big screen so bring your photos on usb for show & tell. Bring a slide show or short movie. Also, bring photos of your Challenge for the month i.e. A creative Still Life with Caption. Bob will give a short demonstration on how to reduce the size of a photo in preparation to send it via email. I look forward to seeing you at Shelley's place.

We welcome Les Beer, a new member to the Club. Les would like to do portraiture. We can certainly tackle this subject. We can use each other as models or if anyone knows of a willing person who would sit for us, that would be good also. We can follow this up over the next few sessions. All suggestions are welcome.
