

BASS COAST CAMERA CLUB-NEWSLETTER JUNE/JULY 2016

Photos with captions by Heather and Inge.

Always take your camera with you. You never know what you will find. "Keeping Watch"

Shelley & Bert's garden had a lovely collection of interesting ornaments & sculptures. The scarecrow, left, is a fine example of someone's creativity.

Our June session was a great success. Everyone presented excellent work, which, contributed to a very interesting & inspiring afternoon. We had examples of stitching, captions to a still life, music to a slide show, creative computer enhancement. In fact, the diversity of work shown was amazing. I personally would like a second viewing. Well done to you all and thank you. The afternoon concluded with a yummy afternoon tea. Thank you, Shelley & Inge. You spoilt us.

CHALLENGE for July. Collage/Montage. This can be done on your computer or manually. Collect a number of photos, rearrange them into a pattern/sequence, then display onto a backing board. Look into Google Search- Photography Collage/Montage for some ideas. This is a perfect exercise to do on cold wintry afternoons. Bring your results to our next session for Show and Tell. Good Luck.

OUR NEXT SESSION- SAT. 16th JULY. The programme is **PORTRAITURE**. Tauri has offered to be our model. Bring your cameras, ipads, etc. We will set up some creative poses for you. Hopefully, the lighting we have will be sufficient to give interesting effects. If you have any props, which you think would help with the display, please bring them along. The Goods Shed will be nice and warm so come on in and join the fun. Hope to see you 1.30pm 16th July.

Bass Coast Camera Club is a programme of the Bass Coast Artists' Society. Our home base is the Goods Shed, Wonthaggi. Meetings are on the 3rd Saturday of the month 1.30pm – 4pm.
