We spent a cheerful and informative afternoon at our first session of 2017 at the Goods Shed. The photos for display were unique & creative as can be seen from the two samples above. Jenny shared her amazing work on usb illustrating the techniques used in her photography. It will inspire us to stretch our imagination further & take our photos to another creative level. Well done everyone.

**MARCH CHALLENGE** – Our challenge for March is to make a Postcard (Postcard size) using multiple photos and inserting a caption. Bob had some samples on display giving an example of what is achievable using a set of photos from a location you have visited. A suggestion is that you take local shots...Wonthaggi, Inverloch, Cape Paterson for example.
